

Fabric Software Development Platform

Account Creation Request Form

ACCESS TO THE FSDP CLUSTER IS SUBJECT TO THE ACCEPTABLE USE POLICY. THE FSDP CLUSTER IS OPERATED ON A BEST EFFORT BASIS. NO GUARANTEE OF UPTIME OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED, IS MADE.

Name: _____

E-Mail: _____

Associated with a Company? ____ Yes ____ No

Company Name: _____

Requested Username: _____

UNH-IOL Use Only:

Actual Username (if different): _____

Assigned Company Group: _____

Assigned Temporary Password: _____

Instructions:

1. Users should fill out all requested fields. The company name should be blank if this is an individual account, otherwise it must be an organization that is a member of the OFA in good standing.
2. Users should email this file and an ssh public key they wish to have placed into the system to: fsdp-accounts@openfabrics.org
3. Upon account creation, this form, fully filled out, will be returned along with an OpenVPN profile to access the cluster
4. The user will need to access the cluster the first time using the OpenVPN profile and temporary password. They should immediately login to build-00.ofa.iol.unh.edu. The system will require they change their password. Once the password is changed, all further access, including future logins to the OpenVPN server, will require the new password.
